BRIEF ABSTRACT OF LETTER.

Suggests that the instructions contained in this office letter No: 2700-10 dy 29. 9. 15 be slightly modified and the local Chemical Examiner directed to furnish Certificates in all cases sent to him by the Police, the choice of Sending interesting cases to the Imperial Serologist being exercised independent of his own exam[n]

NOTES AND ORDERS.

It Seems that it is only in cases of doubt that the local Chemical Examiner will refer them to the Imperial Serologist. It is a question therefore whether in all cases certificates may be furnished by the Chemical Examiner himself or whether the [redacted] certificates cannot be

Encl. 441 D 2517 *Dated* Bangalore, 11th January 1916.

Medical 54-15-3

From

Diwan Bahadur C. SRIKANTESVARA AIYAR, B.A., B.L.,
Inspector-General of Police in Mysore.

To

D. M. NARASINGA RAO, Esq., B.A., B.L.,
~~Officiating~~ Secretary to the Government of
His Highness the Maharaja of Mysore,
General Department.

Sir,

With reference to your letter No.2700-Med.54-15-2 dated the 29th September 1915, regarding blood-stain cases being first sent to the local Chemical Examiner, I have the honor to state that I have given the subject a careful consideration and beg to suggest that the instructions conveyed in the letter under advertance be slightly modified, directing that the local Chemical Examiner should as heretofore first examine and furnish the needful certificates in all cases sent to him by the Police, the choice of sending interesting cases to the Imperial Serologist being exercised independent of such examination in cases which may be useful and for the advancement of science etc.

2. If there be delay in the furnishing of such certificates, the investigation of ghastly crimes, such as murders &c will be held up, with the result that other clues bearing on cases would get tampered with or otherwise seriously weakened, and with a view, therefore to avoid such trouble, it is necessary that the simple examination heretofore conducted should be continued and
